AMFEP

Founded in 1977, the Association of Manufacturers and Formulators of Enzyme Products (AMFEP) is a non-profit European industry association. AMFEP fruitfully co-operates with European institutions and partner associations worldwide, has observer status in Codex Alimentarius, is a member of the EFSA Stakeholders Consultative platform, and is one of ECHA's accredited stakeholder organisations. In addition, AMFEP is member of and hosts the services of the Enzymes REACH consortium. Website: www.amfep.org

FEDIMA

Fedima is the European Federation of Manufacturers and Suppliers of Ingredients to the Bakery, Confectionery and Patisserie Industries. The members are national associations across 12 countries. Our mission is to shape a favourable environment for our members to ensure a sustainable and an innovative bakery industry. Fedima provides expertise to EU institutions related to bakery ingredients and works on developing best practices in the industry. Website: www.fedima.org
